Hi WolfPack!

Spring is here! And, planting season is just around the corner. We are excited to be organizing a Clearview spring fundraiser. Please see the letter below from School Council, who is helping to organize this opportunity. - Mrs. Ottewell

Dear Clearview Meadows Parents and Guardians,

We are very excited to announce that we're launching the easiest fundraiser ever for our Clearview Meadows families! This Spring we have chosen to be a part of the Plantables School Fundraising Program and the Bradford Greenhouses Garden Gallery. Now you can purchase all of your gardening supplies online or in person for this spring growing season.

We are raising funds to offset the cost of **new athletic jerseys and uniforms** for our WolfPack teams. Every Plantables order helps us get closer to that goal - we get 10% of the total of every order you place! As well, 5% of your Bradford Greenhouse order will help Clearview Meadows reinvest in their outdoor gardening improvements.

How does it work?

All you have to do is tell your friends and family to go to plantables.ca from April 1-June 11, if they're planning on buying fruit or vegetable seedlings this spring, and make sure they enter the code **CLEARVIEW** at the checkout. Plantables will be delivered right to your front door.

Or you can go to Bradford Greenhouses Garden Gallery from April 15-October 15 at 4346 Country Rd 90, Springwater to get all of your gardening needs. Just tell them before you checkout that you are a supporter of Clearview Meadows and 5% of your order gets donated back to the school.

We are really excited to be launching a fundraiser that involves growing healthy fruits and veggies and that taps into purchases that a lot of our families are planning on making anyways this time of year.

Why Plantables and Bradford Greenhouses?

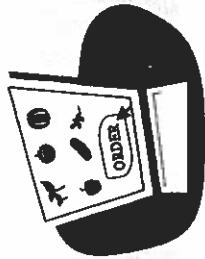

Plantables is an Ontario based company that grows healthy, hardy and happy fruit and vegetable plants and will ship them to arrive at your door exactly when they need to go into the ground. Bradford Greenhouses can support all of your gardening needs with safe, in-store purchasing or contactless pickup.

No matter how busy you are, if you're planning on planting this year, or know someone who is, you'll be able to help support the school with this fundraiser.

Thank you for your support!

Clearview Meadows Parent Council

How it works

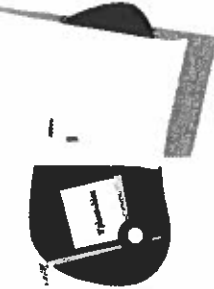

Ready.

Choose from our kits of garden-ready plants (or build your own boxes).

Set.

We'll grow, love and nurture them so they arrive at your door at just the right moment to plant.

Grow.

Open the box, bury them in the ground and wait for the magic to happen.

No garden? No problem! Most of our plants are container-friendly.

Fun Fact:
All of our packaging is 100% recyclable

Fundraising with Plantables

Head over to plantables.ca to place orders and support us!

Here's our code:

CLEARVIEW

(Remember, this code has to be entered at checkout.)

Don't forget to tell your friends!

The Salanova® Line Up

From the Butterheads to Crispy Greens, these lettuce have a delicate, buttery flavour that's perfect for everything from salads to burgers!

As our resident plant picker, Sir Pix-a-Lot, likes to sing: *we like big butterheads and we cannot lie...*

Beefsteak Tomato

Despite their name, beefsteak tomatoes are actually suitable for both vegans and vampires.

(And vegan vampires, we guess...)

Herb Kit

Herb, herb, herb is the word. There's no easier way to take your dish from 'oh, that's nice' to 'oh man, that's good!' than throwing in some freshly cut herbs.

Plus, we've made sure that these plants are super easy to grow and make your place smell incredible too, so there's no excuse not to embrace your inner Gordon Ramsay and start whipping up brag-worthy dishes.

Organizations that reach \$3000 in sales win a
